REACH COMPLIANCE DECLARATION
COMMISSION REGULATION (EU) 2018/2005
amending Annex XVII to Regulation (EC) No 1907/2006
and compliance with CLP regulation (CE) N.1272/2008

[New update of Candidate List of Substances of Very High Concern \(SVHCs\)](#)

On 23RD JANUARY 2024, the ECHA (European Chemicals Agency) has released

[the new Candidate List of SVHCs.](#)

To whom it may concern:

European Regulation 2018/2005 amending Annex XVII to Regulation (EC) No 1907/2006, about REGISTER, EVALUATION, AUTHORISATION AND RESTRICTION (REACH) of Chemicals Substances came into force the 1 st. June 2007.

PLASTINORD SRL aims to guarantee the continuity of all of our products supplies, within scope of REACH, as well as identified uses.

Polymers are exempt from REACH Registration, according to N°2 Art., section 9.

Should read present adverse circumstances affecting to our current operations, the necessary action will be taken, in order to guarantee the continuity of our supplies.

Please be advised that based on the information available to us from our raw material suppliers the current products sold under the trade-name of **PLASTINORD® E PLASTIMID®** do not contain as intentionally added any of the substances of very high concern (SVHC) above a limit of 0.1 % w/w according to the candidate list, article 59 (1, 10) European REACH regulation (EC) No. **2018/2005**. **(ECHA/PR/15/18)**

To the best of our knowledge, none of these materials are generated during production.

Please note that inclusion of a substance on the candidate list does not automatically lead to a substitution and subsequently to a ban. Listing only indicates that these substances might become subject to authorization.

So far, we are not aware that the articles supplied to you (product packaging) contain substances included in the Candidate List in concentrations above 0.1 % (w/w) each. Should our state of knowledge change, we shall inform you accordingly.

You can find the detailed and updated candidate list on :

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp.

Please note that we do not routinely analyse our products for substances not purposely added.

It is the responsibility of those to whom we supply our products to ensure that any proprietary rights and existing laws and legislation are observed. This declaration concerns only the above mentioned products and does not guarantee the compliance of the final articles made of those products.
